DESIGN DECISIONS

- Coral primary drives urgency on price & CTA
- Teal accent marks positive signals (free, authentic)
- Yellow badge used sparingly for discount emphasis
- Cream background reduces eye strain vs pure white
- Nunito headings convey friendliness without childishness

+ INTERACTIVE

A mobile app checkout screen mockup. The screen has a cream-colored background. At the top, there's a back arrow and the title "Checkout". Below this, there are two tabs: "1. Delivery" (active, highlighted in orange) and "2. Payment". The "Delivery Address" section shows a home address: "24 Birch Lane, Apt 3B, Brooklyn, NY 11201". Below this is a "Full Name" field with "Emma Chan" and a "Phone Number" field with "+1 (646) 555-0108". The "Delivery Method" section shows two options: "Standard" (5-7 business days, free) and "Express" (2-3 business days, \$9.99). At the bottom is a large orange button labeled "Continue to Payment >".

Checkout

2-step checkout: Delivery address + method, then Payment with card / Apple Pay / PayPal toggle.
